### **International Centre for Banking and Corporate Governance**

International Centre for Banking and Corporate Governance has a wide portfolio of research in the banking and corporate governance area in an international context. Recent research includes corporate governance practices in banks during financial crisis, bank directors' remuneration, corporate governance developments on Central and Eastern Europe; banking regulation under financial crisis, banks and stock market.

#### **AIMS:**

The Centre has the following aims:

- To conduct and encourage high quality research in banking and corporate governance;
- To engage in interdisciplinary and cross-border research through collaboration with contacts worldwide;
- To consult with professional bodies, banks, corporations and other groups, on banking and corporate governance issues;
- To disseminate the research of the Centre as widely as possible through published research, presentations at conferences and seminars.

#### **THE CENTER SPECIFICS**

The Center has several specifics which make the Center unique:

- This is truly international Center. The Center was established by universities from various countries of the world: Ukrainian Academy of Banking (Ukraine) – the Center headquarter; Belgrade Banking Academy (Serbia); University of Ottawa Telfer School of Management (Canada); Anglia Law School (UK).
- The Center has an international board. There are members from many countries of the world including Germany, Canada, Ukraine, Serbia, the USA, the UK, Italy, Czech Republic.
- Members of the Center represent 26 countries of the world to deliver the truly international value to the Center research activity.
- Members of the Center are represented on the three level: the first – graduate students; the second - PhD students; the third – professors.

## **GOVERNING STRUCTURE:**

- The Center is governed by the Board of Directors. The board of directors is appointed by rector of the Ukrainian Academy of Banking as the base institution of the Center. Board of Directors has three kinds of members: ordinary members, with the voting right; honorable and advisory members with the advising right. The board reports to the rector of the Academy.
- Board of Directors directs the activity of the Center members. The members reports to the Board of Directors.

## ICBCG - CONFERENCES

### **1. The First Annual International Conference on Corporate Governance in Banks – May 2010**

International Centre for Banking and Corporate Governance initiates holding an annual international conference on corporate governance in banks. This conference appeals to academics, policy makers and business professionals. The conference provides a forum in which delegates can interact and network, with the topic areas being at the forefront of corporate governance developments in an international context.

The first conference in May 2010 will be held online. Language of the conference – English.

You are invited to submit a paper on:

- Corporate governance in banks;
- Anti-crisis corporate governance issues in banks;
- Banking regulation;
- Board of directors in banks;
- Bank director remuneration;
- Internal control in banks;
- Bank ownership;
- Financial reporting and disclosure in banks;
- Stock market and banks;
- Bank shareholders' rights;
- State financial support of the banks.

Contributors are invited to submit their papers and theses (volume – 2000-7000 words).  
Deadline for submission: April 25, 2010.

We will notify the contributors of accepted papers by May 10, 2010.

All accepted papers will be placed at the conference web-site by May 15, 2010.

We will invite all conference participants and visitors to enter the conference web-site [www.academy.sumy.ua](http://www.academy.sumy.ua) to read the papers and register for further discussions of the most interesting issues of the papers accepted. Conference will continue during two days.

Authors of accepted paper will be recommended to choose one of the following leaflets for their conference papers:

1. Corporate Ownership and Control journal – a referred journal ([www.virtusinterpress.org](http://www.virtusinterpress.org))
2. Banks and Banking Systems – a referred journal ([www.businessperspectives.org](http://www.businessperspectives.org))
3. Conference Review.

Please, when submitting your paper for participation in the conference, indicate, in what publication you would like to see your paper published after the conference.

Contact Dr. Alexander Kostyuk to submit a paper and further info: [kostyuka@academy.sumy.ua](mailto:kostyuka@academy.sumy.ua), [alex\\_kostyuk@virtusinterpress.org](mailto:alex_kostyuk@virtusinterpress.org).

2. In November 2010 the Center is going to hold an International online conference “Banking regulation: anti-crisis measures”

3. In May 2011 the Center is going to hold a section “Corporate Governance in banks” as apart of Annual International conference “International Banking Contest: a theory and practice” to be held at Ukrainian Academy of Banking.
